

CERTIFIED SUPPLY CHAIN PROFESSIONAL (CSCP) LEARNING SYSTEM

INSTRUCTOR-LED COURSE

Gain the most current knowledge necessary to succeed in supply chain management.

Understanding and implementing the latest best practice and trends is the key to success in global supply chain management. The APICS Certified Supply Chain Professional (CSCP) program is the first and only supply chain certification that encompasses the end-to-end global supply chain. APICS CSCP designees gain the skills to effectively manage global supply chain activities that involve suppliers, plants, distributors and customers located around the world.

KnoWerX Education (India) Pvt. Ltd. is offering the APICS CSCP Preparation Course that will expand your supply chain knowledge and prepare you for the APICS Certified Supply Chain Professional (CSCP) certification exam.

Course Components

As part of the tuition for this course, you will receive the APICS CSCP Learning System — a certification exam preparation and professional development tool developed by APICS. Based on the most current APICS CSCP *Exam Content Manual* and updated for 2017, this comprehensive training program combines reading materials with interactive web-based study tools and provides a customized learning experience.

Reading Materials

- Three modules covered in five books with approximately 1,100 pages of content.
- Progress check questions at the end of each section.
- Organized information from more than 350 references

- 1 Supply Chain Design
- 2 Supply Chain Planning and Execution
- 3 Supply Chain Improvement and Best Practices

Interactive Web-based Study Tools

- **Smart-Study™ Tool** helps you prepare a customized plan to optimize your studies
- **Pretest and posttest** to assess knowledge level
- **Reading materials available as e-Download**
- **Chapter-specific tests provide** immediate feedback, answer rationales and reference to text
- More than **1,200 practice questions**
- **UPDATED for 2017! Learning Activities** present real -world scenarios in a new case study format.
- **UPDATED for 2017! Two Practice Exams**, one with retired questions and the other with new exam-like questions, help users gain experience with the format of the computer-based CSCP exam.
- **Reports** track progress and document the learning gain
- **Flashcards** and web-based **glossary** reinforce knowledge of relevant industry terms
- Complimentary download of the most current **APICS CSCP Exam Content Manual** through the Resource Center
- **Mobile access** to reading materials, study tools and tests for one year

Why choose an instructor-led course?

You'll benefit from an experienced instructor, interaction with peers, a dynamic classroom environment that enhances learning and classroom expectations and assignments that help you stay on track.

Exam Details (not included in the above fee)

The APICS CSCP designation is earned by passing one certification exam. You must fulfill exam eligibility requirements, followed by requesting an Authorization to Test (ATT).

Exam Eligibility—Step 1

Must be completed at least two weeks prior to the test date you select. There are no charges for eligibility approvals. For information and the APICS CSCP Eligibility application, go to apics.org/cscp.

Authorization to Test (ATT) - Step 2

Purchase an exam credit from KnoWerX Education (India) Pvt. Ltd. and avail 5% discount on rack rate and extended validity.

Schedule your exam—Step 3

You will be able to register for the exam after you have completed your ATT.

Exam Fees Offered by KnoWerX for CSCP

APICS PLUS members	\$997.50 USD
APICS student member	\$945.00 USD
APICS CORE members and nonmembers	\$1,235 USD
Retake	\$517.50 USD
